On August 4th 2020, little girls and boys in Lebanon were shaken by a big, loud and terrifying BOOM.

This book was written for each and every single one of them in hopes of helping them come to terms with that day.

“Antifragility is beyond resilience or robustness. The resilient resists shocks and stays the same; the antifragile gets better.”

– Nassim Nicholas Taleb

All proceeds from the sale of this book go to those who have been harmed by the Beirut port explosion of 4 August 2020
